We have known Bob (BobbY) for many years. Although, we haven't seen Bob since he moved to Florida. We keep in touch via Facebook. We have wonderful memories of the years that we were neighbors in New City. Bob picked up the birthday cake in a snow storm for our son's birthday party. When our kids put a pizza in the box in the oven and started a fire. They called Bob and he saved the day. He prevented a house fire and our grown daughter remembers this event to this day. Bob also found a dental practice for Joel in Rockland County. This move from Joel's office in the Bronx changed our lives. We will miss you Bobby. Love, Mikki and Joel Pertofsky
