Lawrence "Larry" Blackman

Larry Blackman, 64, of Delray Beach, FL sadly and suddenly passed away on September 20, 2020. Larry spread immense joy to his family and friends through his extraordinarily kind, warm, funny, compassionate and infectious personality. Larry was the happiest spending time with his family and friends, as well as sipping on a fresh cup of piping hot coffee, a good IPA or enjoying a piece of blueberry crumb pie. His sense of humor and positivity brought happiness to everyone in his life. Larry's greatest joy was being a proud and loving husband, father, stepfather, brother, uncle and friend.

He grew up in West Hempstead, NY and received his BA in Computer Science at Pace University. He is survived by his beloved family including his devoted wife Peggy, daughter Lindsay Blackman, daughter Heather Chumbris and son-in-law Stephen Chumbris, sister Helen Harrison and brother-in-law Chuck Harrison, nieces and stepdaughters. He was predeceased by his parents Norma and Jack Blackman and his sister Paula Blackman.

Donations can be made in Larry's honor to St. Judes Children's Hospital at www.stjude.com.

My husband Gerry and I were sad to hear of Larry's passing. We worked with Larry at Michelin Tire in the 70s and 80s and my husband and Larry were roommates for about a year. I can still hear Larry's infectious laugh. He was such a good sport with my practical jokes. I'm just sorry that we didn't stay in touch. May his memory be a blessing to all his loved ones.

Peg, Harry and I are so deeply saddened by Larry's passing. Each week when we talked it was such fun to share in your plans for the weekend. We met Larry only once in Dallas and found him to be such a smiling, charming, and happy man. Your friends and family will help you through this unexpected and unbelievably sad time. You are in our hearts and prayers and know that Larry will always be in your heart and cherished memories. Love, Bonnie and Harry Faulkner

In memory of Larry and to those hearts cherishing the moments spent with a man of incredible charisma, generosity, and sincerity. To have the privilege of knowing Larry was an absolute pleasure. His kindness and selflessness knew no bounds. He would give you the shirt off of his back, an ear to listen to anything that anyone had to say. He was and will always be remembered as a thoughtful man, a stand up gentleman, and a person that will always stay in my heart as a great human being. My heart goes out to his family, friends and anyone he has impacted. Love you Larry.

Lar Bear... the man who always lived in the moment and would do anything for anybody. They don't really make em like that anymore. He will be missed by anyone who knew him and anyone who knew him probably has at least a dozen stories/memories with him they could share here. And I know we will continue to tell those stories and keep his memory alive. Love, Your (step) Daughter, Kayla

I have not wanted to post anything here as I am still in such a shock. I have worked with him for a long time and being his coworker. He was a wonderful person and I have some very intelligent conversations with him on those days of us walking out the job. I didn't see him upset ever even when he was stressed out. I still remember the last conversation we had and how he talked about his family with so much passion. I will miss him dearly and I must say that I loved being his supervisor and coworker. Blessings and prayers to his wife and kids.

Peggy, We will remember Larry in many positive ways, with a big smile, one of our favorite memories is when we were all driving back home to your new home and got lost and you called yourselves the "magoo,s". Wish we had the right words but just know we care. Sending healing prayers and comforting hugs to both you, the girls and Larry's family. Much love, Lael and Terri

It was a pleasure to have worked on the same team once he moved from the AT&T Account. Great work ethics and always looking for the best way to help his customers, he would spend however long it took to resolve their issues, never in a rush. He spoke about his family and how he was looking forward to the birth of his grand child. I'm happy he was able to experience the joy of being a grandparent. Will definitely miss you Mr. Blackman. Our prayers are with your family.

Peggy, when it rains it pours, and boy I am so upset that you were going through this! You're such a great person and you have such an awesome personality you always lift peoples energy to good without even trying. When I met your husband at your dads luncheon I thought he was such a great guy! Also a good Sense of humor! I know you're going to a very hard road right now, but I also know you have that Miller strengthen you and you will get better! If you need anything or just to talk on the phone I'm surely glad to do that. Anything that you need just let me know. Do you have a Miller strength and you're gonna need it.
