Just searched his name and found out Brian is gone.. I haven't talked to him in many years but knew him for many more years.. very sad to hear he has passed. What a voice he had and I will think of him singing when ever I think of him. Such a kind person and a friend.

From Kindergarten through 12th grade, Brian was a constant presence in my life. From the time we met as small children, I was struck at how smart and witty he was. In high school, he was a standout member of our speech and debate team. I was especially impressed by his oral interpretation of poetry and his sharp turns of phrase in the Student Congress event. After high school ended, I moved out of state, but I still saw him occasionally in the first couple of years. He had some musical aspirations and I fondly remember jamming with him a few times. I've been wondering about him for years. Rest in peace, old friend.

I remember Brian's wit and humor. He was a good friend of my brother Gabe. I remember going on field trips with Brian in elementary school and always hearing some punch line of a joke he cracked. I'm sorry to lose him from this world. He is a good soul. Peace.

Brian was one of my brother, Shawn Spillett's best friends starting in their high school years. I adored Brian. He was so incredibly smart, witty, and was one of the funniest people that I remember from that time of my life. My parents loved him as well. He was a really sweet and kind person. I am so sorry for your loss. I am not sure we ever had the pleasure to meet, but you raised a wonderful man. My deepest condolences for your loss.
