Wow what a great mother Laura Gologorsky, mom, was. Always there for me even though we were physically always far away from Kent State to New Jersey to South Carolina....always just a step behind her to Florida.2020 has not been a very good year for me personally....first losing my wife of 47 years (Edyie) and now this.Her grands and great grandchildren will miss her as well.At least she will get to see her true love very soon.Always.....her baby son. Gary.
