My dear childhood friend, I always think of you with your upbeat ways and beautiful smile! Living across the street from you in Scranton on N. Irving Ave. was such a sweet fun time! What a wonderful childhood when we all got together everyday. It was so special, and the thoughts of walking to school with you and the 'group', all the good times we had everyday will forever be with me! How I wish I could have seen you one more time as we were trying to do, I know we will, just in a different way! Love, and sending heartfelt sympathy to all. Karen Baiderman Chaskin

I was a good friend of Eileen's and we worked together for many years at the Levis JCC, we all loved her beautiful smile, hysterical sense of humor and overwhelming kindness. She so loved her family and often bragged about her wonderful sons and beautiful grandchildren, my condolences to Marshall and the boys and all who knew her, we will miss you Eileen, with love, Jayne Alexander

Remembering my Dearest Mother-As we look back over time We find ourselves wonderingDid we remember to thank you enough For all you have done for us? For all the times you were by our sides To help and support usTo celebrate our successes To understand our problems And accept our defeats? Or for teaching us by your example, The value of hard work, good judgement, Courage and integrity? We wonder if we ever thanked you For the sacrifices you made. To let us have the very best? And for the simple things Like laughter, smiles and times we shared? If we have forgotten to show our Gratitude enough for all the things you did, We're thanking you now. And we are hoping you knew all along, How much you meant to us. I have loved you from the day I was conceived - and will love you for every day I draw a breath until I see you again and can tell you myself. I miss you immeasurably, more than words. My heart is broken into tiny pieces with your passing - and each piece reflects the love you showed me in my life. You will live on in my memories, and I will see you in my dreams. Every time I see a butterfly or cardinal, I'll know you're looking in on me. Thank you for my Life, your Love, and everything you taught me. Until we meet again, Mommy. Your Son, Jeffrey xoxo

We will miss Eileen very much. We had the opportunity to visit with her and Marshall while visiting Florida in 2019. It was wonderful catching up. We know that she had health challenges over the last several years and she was courageous throughout. Our deepest sympathies go out to Marshall, Kevin, Jeff and their families. Huge condolences to the Pittle family. I am so sad to hear this news. I grew up across the street and have a hundred memories of Eileen and the family. Honestly, one of the most kind and big-hearted women and mothers I have ever been around. Just so kind and funny too. She was the protective Mom who loved her boys so much and always wanted Jeff and Kevin to wear their "dungarees" when it was cold out! It always made me laugh, as if they were headed to work in a coal mine, and not just out in the front yard. I would poke fun and then she would call me "schmegegge". I learned a lot of new terms from Eileen! All of those funny memories came flooding back when I heard this sad news. A great lady is gone but I will always remember her kindness toward me and my parents as well. Jeff, Kevin and Marshall, I am so sorry for your loss. I will keep you all in my thoughts. She was awesome. Her memory will live on in everyone who knew her. Please hang in there. Walker White

Eileen and I were friends for over 50 years as our children went to Nursery school together in NJ. We spoke the day before New Years and had a few laughs. We last saw each other December 2019 when I was in Florida and as always had a wonderful visit. We always knew the other one was there for each other. Eileen had a heart of gold and was always there for you. My heart is broken and I will miss hearing your beautiful voice and laugh. I hope you know how much I Loved you and will keep you in my heart. May your memory be a blessing to those you loved and who loved you. Marshall, I'm always here for you and we'll talk soon. With a saddened heart, love your Benita
