"My deepest condolences to Phil Terrano and family for their loss. Robin had a big personality, and a bigger heart. I was honored to know her for 28 years, and call her my friend. Over the years we laughed, cried, but mostly laughed. I will miss her love, kindness, and infectious laughter. It gives me comfort knowing that she will be with her beloved daughter Mindie, husband George, her parents, and all the loved ones who have gone before her. Rest in peace my friend. I love you & I miss you! XO"

She had sadness in her life. Her daughter's death was too devastating for her as well as her poor health. Robin was a kind loving person & I had the pleasure of long talks as we poured out our hearts, shared tears & laughs when I was doing her hair with weird colors & cuts about five years ago .Reluctantly, I altered her formula gradually for more normalcy so she wouldn't notice. ----- But she did. I loved her. She was my friend. .
