What a beautiful service for Eli. We watched it through the Webcast. It was so heartwarming and touching to hear all the stories and the role he played as the center of the family. I remember many of the stories Matt told me through the years about his mother and father. I was Matt's legal assistant for 20 years at Tripp Scott and cherish those days. Matt invited my husband and myself to many family events for special occasions and we enjoyed being around the family. Eli's special qualities were inherited by the entire family. May his memory be a blessing. Love, Karen and Sterling Bader Delray Beach, FL
