I will always remember my cousin Linda as the prettiest cousin in the room with the happiest smile, no matter how many problems she had. She would say, "Oh I had this happen to me", or the doctor says, "I have that problem" - and then just laugh about it. She had a such sunny disposition that she made everyone around her happy. The last time I saw her was quite a few years ago in a restaurant in Florida with Elliott, Roberta, Sam and my friend Marlene. She looked as pretty as ever, although I now know she had many health problems. I hope she didn't suffer these last years of her life. My heart goes out to my namesake, cousin Roberta, especially because I too lost a sister named Linda more than a year ago. Now the two Lindas are gone.

With deep heartfelt condolences to special Elliot & Linda's devoted family, Charlie and I want to let you know how much Linda did mean to me. first as a welcoming Pap Corps board member when I first joined . Years later , while I was President, she was a integral, hard-working, creative member of the VI Pap board. Linda & Elliott were always supportive of me & The Pap Corps, always being the force behind beautiful, memorable parties to raise money for the cure! Linda was a woman of grace and beauty who we all admired! Her memory will be a blessing to all those fortunate to know her! Blessings & love, Sue D'Entrone

To all who knew and worked with Linda, all we can say is that she was always there for you whenever you asked. She was a caring, compassionate and dedicated person who was always gracious and kind. Working with her as a member of the Pap Executive Board was an honor. She was committed to raising funds for cancer research and was dedicated to help in any way she could. It was our pleasure having the chance to know and to work with her. Rest peacefully, Anita and Abe Brownstein
