I miss you very much. We think about you often. Many conversations are brought up about you and my mom taking road trips to see me and Bobby. Miss you

My Beloved Mother every day you are in my thoughts with great Love. I miss you hearing your voice and just knowing you are here with us. Life is not the same without you my true North, my friend my beautiful wonderful Mom. I will never forget you I will always be grateful to you for just being in my life no one can ever take the place you hold in my heart and soul. I am not wise enough to understand what comes after this earthly life. I only hope when it is my time to go on I will get to see you again hold you close and tell you how much I Love you. I am always your loving daughter...Your Rona

I am so sorry. I just tried calling her because it's been a year since my mom Beverly Parker died. I have known her my whole life. She has spent vacations with us Las Vegas. I feel like I lost my mom for the second time. I loved her.
