Having the privilege of being close friends with Ellen and Jeff in NJ, it was inevitable that when we moved to FL it would be about a mile from Josie. Needless to say we saw each other often, and yes, loved to share those cocktails too. Coincidentally, once we were on the same Celebrity cruise...guess who we saw immediately upon boarding the ship, and guess who we immediately had the first cocktail with.....our beautiful, fun, happy, loving, ball of fire, etc. JOSIE. Cheers to you sweet lady...it was a blessing to know you Josie....so easy to remember and so hard to forget. ♥❌🕒 Our deepest and heartfelt condolences to the family that loved her so very much♥ With our love, Andrea and Larry Bershatsky
