I just learned that Carole passed away. She was my cousin and growing up one of my closest friends. Our dads were brothers and we spent much time together as young girls and later in life although we didn't see each other much we continued to communicate through emails, texts and occasional phone calls. We lost touch in the last few years except for the occasional birthday emails and I am so sorry to hear this terrible news. My love and condolences to Larry, Michael and Jason and your families.
