Matt and I have known the Frosch family for 46 years now. We met Debbie, one of Lillian and Herb's daughters, on our honeymoon and we were welcomed into the family with open arms! Lillian always made sure we had settings at their dining room table. She loved having people around and being able to help whether it was to listen to your problem or knit or crochet something for you. I called her Mom because as far as Lillian was concerned, I was the 5th daughter! May her memory be for a blessing. Sending much love to a very special family ❤️❤️

Lillian "adopted" me when I moved to FL because my family was in NY. When I married and had a family of my own, she always included us on holidays and for special occasions and always treated us as family. May her memory be for a blessing always. Love to all of you- sending you a great big hug.

Lillian was my Aunt. She always welcomed me into her home with open arms. I have many Gond memories of spending time with her and my cousins...shopping at the flea market, eating pickles from the barrel, clothes shopping, working at Gilson's, many delicious meals, and much much more. She will be missed. Rest In Peace Aunt Lil and give Uncle Herby a hug from me. 🥰🌸
