Fred was certainly one of the kindest and well loved dental business owners. He always made time for any one of us reps. It was a pleasure to know him and the family as they joined him at Becker Parkin. I will keep your family in my thoughts and prayers at this sad time.

Sorry to learn of Fred's passing. I have wonderful memories as a young dental sales rep calling on Fred at Becker Parkin in NY. I enjoyed these visits and sitting in Fred's office conducting business and learning salesmanship and customer care by one of the masters. My condolences to Babara, Barry and the rest of the family. My sincere condolences to Fred's family. I met Fred when he was the salesman for a dentist I worked for in 1972, and we worked together years later when I became a manufacturers representative and he was the owner of Becker Parkin. Fred was a giant in the dental industry, and a mentor to many. May he Rest In Peace! Kate Baker
