Your Mom David was the sweetest woman, she was like a second mom to me and loved having all of your buddies around, especially in Florida during spring break. She did a pretty good job raising you (and me!). Just shy of 95? Put me down for that. Hang in there buddy, love you! Peter

Marvin and I will miss our very dear cousin Lillie. We were not close until we came to FL. 24 years ago and Mickey called and said meet us all for lunch. With lunch came new family friendships and time spent with Lillie and Arthur that we will always treasure as special. With Lillie, we shared many Pasha Parties along with other family gatherings and continued to visit and enjoy our days spent with her. She was a dear and loving, caring friend and we will miss her

Ms Lillie you will be missed by so many, including myself. You were such a humble loving soul. A great Mom, Grandmother and Great Grandmother and Friend. I will always cherish the fun times we had together playing cards, going to Duffy's or just sitting at the table talking about your family. I have lost a Great Friend but I will forever carry memories of you in my heart. My Condolences to your family and I know some day God's willing we will meet again. Sleep in Perfect Peace my Boss/Friend
