I always loved talking with him. When you needed help, he took a guidance approach and never made you uncomfortable. He was a great listener. He was one of the few people you could speak to about politics and not be judged. He helped me find a doctor on many occasions. He supported the H O A. He was an integral part of the Players. I enjoyed his sense of humor. I will miss him. I will recall all the happy New Year's we spent together. Lois Porcella

Dr Tumarkin was a kind man who took great interest in me while I was in college. I stayed at their house just off Tuckerman Lane in Bethesda when I had a summer job between college semesters. I have many memories of them hosting golf parties at a well known golf tournament that their beautiful place backed up to and feeling a special part of the Tumarkin gathering and family. You will be missed Dr. T. as you were an amazing man who accomplished so much in his life while impacting others in so many ways. Best wishes and lots of love to all the Tumarkins.
