Dear Laura Rama and I are extremely sorry to hear about the passing away of Herrick Kohl on Father's Day June 20, 2021. We can understand the grief that you, Jeanine and Lily along with Rick's mother must be feeling - especially during these chaotic times and pray to God to give you all the courage and fortitude to withstand this irreparable loss. When somebody dies, a cloud turns into an angel, and flies up to tell God to put another flower on a pillow. A bird gives the message back to the world, and sings a silent prayer that makes the rain cry. People disappear, but they never really go away. The spirits up there put the sun to bed, wake up grass, and spin the earth in dizzy circles. Sometimes you can see them dancing in a cloud during the day-time, when they're supposed to be sleeping. They paint the rainbows and also the sunsets and make waves splash and tug at the tide. They toss shooting stars and listen to wishes. And when they sing wind-songs, they whisper to us, don't miss me too much. The view is nice and I'm doing just fine. - Ashley Please accept our heartfelt condolences on the passing of your beloved husband - Herrick Kohl. You and your entire family will be in our thoughts and prayers. With deepest sympathy, Bala & Rama, Ph: 678-643-1665 / 678-643-3882
