I found out this morning that Gloria had passed away. Gloria worked at our store Kahn's for many years. She was a wonderful person. She always had smile on her face and was an inspiration to all us that worked with her.

I always loved being around Gloria. We shared a room together for her grandson Damon's wedding and I was at her 90th Birthday Party, which was a wonderful celebration. She called me her "other daughter". I was with Gloria and her family many times during her trips to Harrisburg each summer. There are many memories. Good memories. I have known Joni and her husband Harold for almost 48 years. It's a long history of personal contact with family members. Gloria will be missed and fondly remembered. My deepest sympathies to everyone in her family.
