Sorry, I could not attend in person, but grateful for the video option. I knew Dr. Rosen as both my eye doctor and mostly as "Nan's Dad". He was a great guy. Very welcoming, kind, humble, and "real". I agree with what was said at the service, a "mensch". No one wants a life to end, but he did have a great, long life with lots of successes, travel, and was surrounded by friends and family, near and far who loved and cared about him. You did good, Dr. Rosen.
