Jordan always had a great smile, positive outlook on school , bubbling enthusiasm as well as a cajoling nature when he tried to get me to not assign something ,and a cute sense of humor. His warm nature, respect and kindness will always resonate with me.These things come to my mind when I picture Jordan. The world has lost a good one. RIPJordanMy heart goes out to you his patents and family. ❤️

We have no words to convey our sadness for Susan and Barry, Arlene and Bernie and family. We have known Jordan since he was a baby and watched him grow into a wonderful young man. One winter when we were in Florida, he came over to play basketball with our grandson Ari. We remember his outgoing personality and beautiful smile. We enjoyed seeing him at some of your family dinners, we were fortunate enough to be invited to. It's with a heavy heart that remember Jordan. We know he was your life and pride and joy. ❤️😭 Nira and Bob Slutsky
