Thomas Fagan posted:

On several trips to Boca Raton my wife and I visited with Seymour and his friend Lois from Pittsburgh. Both were gracious hosts with a sense of the arts and good conversation. They enjoyed cooking and always kept a cold beer and wine on hand for us. What beautiful views were available from their condo balcony. Our lives are better for having known him. A former New York City school teacher, he brought knowledge and good judgment to many during his lifetime. Tom and Susan Fagan
