Mike and I worked together many years at Guardian Life. We attended many company conferences together. (See attached photo). When my wife and I moved to Upper Montclair, NJ in 1988, we were welcomed by Mike & Ellen who lived in West Caldwell. Condolences to Ellen, his sons and daughter. Tim & Sandy Lavey

Mike hired me at Guardian Life and was extremely supportive, giving me exposure to the key people in a large company and seeing that I rose steadily with additional responsibility and a few more shekels. He was the best boss I've ever had. Mike started me off as a Trainee — eventually I became a vice president. We traveled a lot together and he was a very funny guy with a quick wit and a gift for story telling. I admired him tremendously and am so sorry he's left us. I remember him with a giggle and a smile and great appreciation. My heartfelt condolences to his family and other friends.

Mike was a beloved counselor at Camp Schodack in upstate New York. He began "Peanut Buddy Day," a day when campers were secretly matched with other campers and then did anonymous nice things for their match throughout the day. How fitting for Mike--one of the nicest guys anybody could ever meet. May his memory be for a blessing. Deepest condolences to his family and friends. Pete Herbst
