MAR 19, 1958 - SEP 15, 2021

**J**urgen M Nielsen age 63 formally of Carteret NJ, passed away September 15, 2021 at home surrounded by his loved ones. Jurgen's battle with serious medical issues in recent years showed his courage in facing life's challenges with strength and conviction. Despite his pain he stayed strong until the end. Jurgen retired from the Sheet Metal Workers Local 27 and relocated to Florida where he enjoyed life with his long term companion Cathy Caprio. Cathy will carry out his final bucket list by visiting the Rock and Roll Hall of Fame in his honor. Jurgen was a Rock and Roll aficionado who loved knew everything about music. He also loved his jeeps, his Harley and his favorite teams, The New York Yankees and The New York Giants. Jurgen also organized softball teams with all of his buddies which was one of his great passions. Jurgen leaves his parents, Mary and Jurgen Nielsen also of Florida. Jurgen was a devoted son who enjoyed cooking for his parents and traveling with them to many countries in his younger years. The three of them shared a special bond. Jurgen is also survived by his son Jason Nielsen and daughter in law Catherine and his 2 grandchildren of New Jersey. Jurgen will be missed by many friends and family especially his beloved dog Buddy Boom Bats and his Florida extended family. Ok Jurgen, so it's been 10 weeks now since you became an angel and the good Lord has taken your pain away. Not too many of your friends/family realize you and I had a past. Our best memories were in the early 80's. You taking me to the Prince movie in 1984, our all day crabbing trip, (which you kept bringing up) what a blast, we had! You moving be out of Carteret/PR to my very first apt. & you letting me drive your silver Camaro with the t-tops to work. All these years later I will always cherish our new memories we built together. I have a very hard time driving in my own town, because every place reminds me of you coming to New Jersey to be with me. I still grieve you everyday. I have our photos next to my bed, all over my office and on my car visor. I miss your early morning text messages, our video calls, talking on phone and most of all your laugh. I will never meet or fall in love with anyone like you ever again. I will love you always & never forget you my love ❤️💬
