Rachel Galison and family are devastated to announce that beloved mother, daughter of Mimi (Ruth) and a dear friend to many has passed.

Doctor Ronnie Mantin Galison was a healer and a true gift to this world. We are just beyond devastated. Ronnie is looking over and protecting her beautiful daughter Rachel, her Mom Ruth, brother Craig, and countless friends and family members she touched over her lifetime.

I first met Ronnie in Florida state board review. We had both just graduated different Chiro colleges, and like anyone who knew her, I fell under her spell. Early in our careers we would have "masterminds" to help improve our practices...our "plan for our success." Although our paths sent us indifferent directions, when we spoke its was always with fun and laughter. We had the opportunity to catch up about 2 months ago. I miss you my beautiful friend. Everyone does.Im so sorry your gone

I first worked with Rhonda's dad. He told me his daughter had an opening at her office. I worked for Rhonda when she had her chiropractic business on Federal Highway in Boca Raton. Ruth and I share the front-desk duties. I assisted with her patients and did the insurance for her business. Ruth was a delight to work with. I learned a lot working with both of them. I was taken back when I heard this horrific news. A life taken to soon. My sympathy to the entire family. Best regards, Ruth.Ellen Grossman

I have known Ronnie for over 30 years. To say that she was a "force of nature" would be an understatement. She was an influencer and a wonderful mother. Her contributions will live on and remind us all of who she was. Gary Rose
