# GLORIA WALLACH LIEBERMAN

OCT 17, 2021

**G**loria Wallach Lieberman, 86 years old, passed away on Sunday, October 17, 2021. Loving wife of 61 years to Hal, adoring and beloved mother to Jodi Most (Larry) and Marcy Fontana (Neal). Cherished grandmother, affectionally known to all as Hammy, to Danielle Yeffet (Jordan), Evan Most, Katie Fontana, and Brian Fontana, adored Aunt to Lorna Wallach (Steve Isaacson) and Jeffrey Schulman. She was a wonderfully devoted “Dog Mom” to her maltipoo, Rocky. Gloria had the gift of making everyone she knew feel special and loved. Her beautiful smile, her melodic voice, and her thoughtful words exuded kindness, warmth, and respect to all; even strangers to whom she would always greet and wish them well. She was so talented and creative. Her talent in art included many mediums over the years including painting, drawing, beading, needlepoint, and knitting her famous scarves which she happily gave away to everyone. Gloria studied drama at University of Miami and Boston University. Everyone that knew her will miss the love and happiness she radiated; especially her family. We will miss her forever.

A Memorial Service to be held on Sunday, November 14, 2021, time and place TBD and will be announced. Donations in her memory can be made to The Diabetes Research Institute Foundation [www.diabetesresearch.org](http://www.diabetesresearch.org) call 954-674-3198. or the American Cancer Society [www.cancer.org](http://www.cancer.org)

I treasure the time we spent in Florida. The memories we shared go back a long way to the early days of marriage and motherhood. Gloria and I were pregnant at the same time. She went first with her second child and helped me get through the jitters of being a first time mom. Rest In Peace . You will be in my heart forever.

Gloria and I shared a love of knitting and enjoyed getting together to chat, knit and share our love of beautiful yarns. She frequently gifted me with some of her beautiful yarns that she was not using any more as well as some wonderful books that have hundreds of knitting patterns. We visited often and I will miss her.
