My many visits sitting at the island drinking coffee. Our shopping in the store Fresh Produce and laughing hysterically and buying matching blue and white pants . My Aunt staying with us and visiting the kids at the shore and going on the beach. My Aunt staying at our house and going to a restaurant called chickies and petes playing a game where her part was crawling on the floor . Our conversations about her children and how proud she is of them and her grandchildren . My visits , our lunches and her family devotion . I will miss her more than anyone can imagine . The finest human being I knew as my friend and my Aunt And at age 16 , my uncle David and my Aunt and them taking care of me as a young girl . I loved forever
