Rita lit up a room with her chic style, great sense of humor, and warm empathy. She will be missed but her light will always burn in our memories. We will miss you Rita, always. The Kingdons.

Instead of grieving my dear sweet warm compassionate caring loving Rita (client)patient) I share with you one of out of so many memories I have with her is when she said Rosemarie why do I sleep with my mouth open and it's dry when I wake up,I said because you're on your back and you snores so loud 😂 she reply really 😂 I said yes and it's so loud 😂she laugh and said Rosemarie I think you should tape my mouth up so I won't snore or feel dry when I sleep 🤪 when I heard said that I couldn't stop laughing and as I write this memory it is still funny to me it just that I would love to get some more days like that but unfortunately I have to hold on to the one's we made and cherish them knowing she had good moments with family friends and her caregivers
