Dear Barry, Joshua and Robert, We are so sorry to hear that your dear wife and mother has died. We remember Phyllis so fondly for her kindness, her goodness and her honesty. She was passionate in her love for her family. She was a wonderful friend and we enjoyed those younger years together in Rockville Centre raising our sons. So many happy and wonderful memories of us; two young families, the first house, the good times. We send our sincere condolences to the family. We will always remember Phyllis with love and fondness. We are fortunate to have had her in our lives. Richie and Gisela Ertel
