When I moved to Florida, 20 years ago, Marci was the first friend I made and Carol was the first to make me feel as if I had a family 1200 miles away from my own. I spent countless holidays with her in Cape Coral and she always made me feel welcomed. RIP Carol you will be greatly missed. Sherri Crowe

My deepest condolences to the Goldman/Klein family. Carol was such a lovely woman with an infectious smile. I was fortunate to have spent some time with her and Jack after meeting Marci in college. I often marveled at how she and Marci could bicker and then in an instant be smiling and laughing again. May she Rest In Peace.

Aww Patty that was our comedy routine. She was the best. We had so much fun and loved our banter which always wound up in peels of laughter. You really described us! She was always tuned in to my friends and kept up on everyone and was excited when you and Joe had Leo and loved to see his photos. She really was the real deal. Thank you for your kind words and for sharing your memories xx

To say I'm devastated is an understatement. Carol was like a second mother to me throughout the 80s as Marci is my dearest friend. The world will never be the same without her.
