Growing up in the 60's, we were always happy when we heard that Ronnie and Beryl were coming for a visit to the Gornish "homestead" or to Uncle Ralph and Aunt Claire down the block in Overbrook Hills. May all the good memories and our thoughts and prayers be a source of comfort to you all. Cousin Michael Gornish

Well known by a certain few as "Superman" to the very end, Ron was a generous, unique and memorable person. AKA "Cool Hand Luke" by those who remember his tall, cool presence at KPM, he was the living embodiment of 'Special', always lending his calm, quiet nature on every occasion. Ron was a treasured member of the Kaplan family when Claire claimed sisterhood to him in his young life. An offshoot to that generation brought him into my life where there will always be an honored place in my heart for 'Big Ron', who gave the best hugs and a handsome smile with every hello and goodbye. Such good times at dinner in Princeton! Now his offspring (Tony Stark and Carol Danvers) will stand strong as part of his legacy with his very own, iconic Lois Lane, as time moves forward. Memories will continue to abound. Sending love and peace to Ron's family, Lona
