Dr. Arthur M. Virshup, age 79, of Palm Beach Gardens, Fl passed away on May 26, 2022. Arthur was born in New York City in 1943, and grew up there with his parents, Emanuel and Dorothy, and sister, Barbara.

In 2021, four free Rheumatology clinics were renamed after Dr. Virshup and another Rheumatologist, Dr. John Whelton. After retiring in 2014, Dr. Virshup continued to volunteer free Rheumatology care to those in need.

I have known Artie since we were roommates thru out Medical School .[1963.] We loosely kept in touch thru out the years as he lived in Fl. and me in Ct. We visited when I would vacation in Fl and he in Ct.[attending his Yale reunions with his friends] . He would stay at my farm residence afterwards. His character never changed as he was as fun loving, talkative and caring since the first day on our rotations EVERY rheumatology patient I referred to him while they were in PB for the season , thanked me for doing so, They all expressed his sincere compassion shown when seeing him..I will miss discussing old stories with him as we were single in Med School and shared experiences about our active social lives thru out those 4 years. ARTIE WHEN YOU STOOD IN THE SUNSHINE , YOU CAST A LONG SHADOW AND WHEN YOU WALKED AWAY YOUR SHADOW REMAINED WITH ME FOREVER

Ode to Arthur
Today I learned my friend was gone
Taken sooner than need be
He cared for me, made jokes with me
Physician, yes, but so much more
Relief of pain was in his game
His weapon was the Novocaine that
Brought some Cortisone to fight
Inflame
Ah how I'll miss the man he was
Husband, father, scholar too
"salt of the earth " they say
I say, I'm feeling blue
