Kathy lit a candle in honor of Anita.

The world has lost a truly beautiful person. She and i became acquainted through our mutual friend Inez. Even though we lived thousands of miles from each other and have never met, we became close friends. I loved her sense of appreciation for all things around her. She loved going for walks on the beach. She sent me many pictures of the ocean and flowers and birds. She loved her son and daughter, Benjamin and Ilana, and was very proud of them. She loved to go to Kabbalah. I will miss you my dear friend but I find peace knowing you are finally out of pain ❤️ Kathy Misner Salt Lake City UT
