Richard Sidney Herman

MAY 1, 1938 - AUG 22, 2022

Richard Sidney Herman passed away on August 22, 2022. He was born on May 1, 1938 in Boston, Massachusetts. Dick was the son of Max and Edith Herman. He grew up just outside of Boston, graduated from Boston Latin School, Lowell Tech and then earned a degree in Electrical Engineering. He went on to earn a Master's Degree at New Jersey Institute of Technology. He joined the ROTC program as a precursor to enlisting in the Air Force. His basic training brought him to Biloxi, Mississippi and then he was transferred to Bangor, Maine, and was finally stationed in Istanbul, Turkey. He lived there for about a year and a half, and then came back to the States, settling in Clifton, New Jersey where he and first wife Judith brought up their two children, Glenn and Erick. As a civilian, he began working for the United States Army. Unfortunately, Erick and Judith passed away in 1996. Shortly thereafter he was given support that turned into love by his present wife Judy Herman. They married in 1999 and had 23 wonderful years as they merged their families together. Dick had taken a position in Hawaii shortly after their marriage where he worked as a Science Advisor at Schofield Barracks. They lived in Hawaii for two years after which they came back to New Jersey and he retired soon after. Their lives then took them to Delray Beach, Florida where they started a new chapter surrounding themselves with wonderful friends where they have happily spent the last number of years until Dick's sudden passing.

Dick had many hobbies including collecting stamps and coins. He had taken up golfing, playing not only in a men's league, but also in a couples' league with Judy. He recently got himself into a weekly poker game that he really enjoyed. Dick volunteered for many organizations. Some of his positions included being President of his building association, Vice Chairman of the King's Point Recreation Corporation, President of Temple Sinai's brother hood, and Vice President of the Alliance of Delray. He was known as a great organizer and a hard worker. He was very diligent in getting the job done and getting it done well.
