Paul Weinbaum posted:

I knew Eliot for about 70 years. We played sports together (He was probably the best golfer that I knew). All sports in season. We were part of a group called the NCSH and played against other teams. We went to the horses. Double dated.Went to our Senior prom with dates. Just did all sorts of things as younger guys.I will miss you my friend and at some point we will be together againLoved You EIPaul Weinbaum
