Michelle posted:

My father was a unique man. He fought hard to give us a good life. I learned many things from him, and realize how cultured and worldly he was. I find comfort in our Lord, and in knowing pop is cooking in heaven's kitchen. Death is not fair, we can never be ready. I hope the love in my heart transcends the bonds of earth and reaches him in heaven. I am always going to miss you dad. I am sure I haven't said it right, or said it all, but you know what is in my heart. Until we are together again. I know you are dancing with mom now.
