My condolences-- Mr. Esterman was one of the greatest teachers of my life. I was in his AP History Class at JP Stevens in 1976. I remember his brilliance, his humor, his sarcasm, his pushing us to be better. It was the essential class at Stevens to get ready for college. My friends and I all loved him-- in fact we babysat for his kids at least once as a group while we studied for the AP History Exam. He was a true inspiration and a mensch. May his memory be for a blessing-- Scott I Berman, Wethersfield CT
