Heartfelt condolences to the Rockmuller/Lennett families on Dave's passing. I met Dave through Carol, a high school friend, we attended each other's weddings, shared in the joy of having children. Time and cross country distance separated us, but it's always sad to lose an old friend and remember the good times.

Our sincerest condolences on the passing of your Dad, Grand-father and Great-Grandfather and our friend, Dave. We loved him; and if we ever hear a movie or TV trivia question, we think "Oh, Dave would know that answer!" He was a fountain of information!! We would laugh when he would regale us with little known facts about the star we had just seen in a movie - Your Mom & Dad were two special people to us. Love Sal & Sharon Caruso
