I was a student in Mr. Korn's music class and band at Roy H. Mann Junior High from 1968-1971. He was an inspiration to me, had great taste in music and a wonderful personality. I am saddened to hear of his passing. Sincerely, Shelley Stein (Rochelle)

I don't know what made me think of Mr. Korn today but something moved me to look him up online. I am sad to learn of his passing. He was the most influential teacher I have ever had. I am also sad that he lived close by in Florida and we never ran into each other (not that he would remember me lol) I send my condolences to the family.
