Jack Bluestein lit a candle in honor of Morton.

Morty was a good friend and classmate at PS 161 (1942 - 1949), and after we renewed contact in the 90's. I will miss him. Jack Bluestein

I will miss my cousin Morty. We shared so many good times. He was always ready to play golf, cards, tennis etc. He was a wonderful addition to our family. Morty always had a smile for me even in the last months of his life.

My name is Victor Pena and I am a retired NYPD Police Officer, his son the late NYPD Police Officer Robert "Bobby" Grossman and I were partners for many years while we worked at the 28 Precinct, I had the privilege of meeting Morty and his wife Harriet, Bobby's mom, unfortunately at the most trying time for the family, I met them while Bobby was dealing with his illness, I spent many a day and night with Bobby, Morty and Harriet at Sloan Kettering Hospital, in essence Morty and Harriet became Mom and Dad to me, Morty was a beautiful kind loving soul, his love for Harriet, his kids and grandchildren were paramount to his existence, his love for Bobby was unconditional, I had many conversations with Morty and I found to be smart, funny and kind, a true example of a great Husband, Father and Grandfather, lastly a class act and a beautiful being, love you Dad and please give Bobby a big hug and kiss from me, Harriet and the entire family

My name is Tema Brodsky and I am a friend of Harriet Epstein and I was a substitute teacher with Morty Epstein at Comsewogue High School in Port Jefferson Station, NY. My son Douglas Brodsky went to Comsewogue HS with Harriet's son Robert Grossman and was graduated with him from Comsewogue HS. My son was at Robert's Bar Mitzvah and Robert was at Douglas' also. We were devastated when we learned about Robert's death. We were devastated to also learn of Morty's death. Condolences and sympathy to Harriet, the Epstein Family and Morty's friends. RIP Morty. Sincerely, Tema Brodsky

Morty was a wonderful person and a family man. In the short time I've known him here at Coral Lakes, it was truly a pleasure to know him.

I just learned about the passing of Morty, and am saddened beyond words. We were classmates at P.S. 161 in Brooklyn. If I remember correctly, he passed away a few days after his birthday. If ever there was a mensch, it was Morty. I so admired his zest for living, and his concern for others. My heartfelt sympathy to Harriet and his family. I will always treasure the privilege of having known him. Diana Klebanow
