Back in school at I.U. at the Sammy fraternity, my pledge class always used Rich as one to go to for problems, issues. or just plain talking since he was a bit older than most of us and seemed more experienced in life matters. He was a joy to be around, ever optimistic and full of life. It's really wonderful that he's kept in touch with all of us these many years and see that we've matured to his level finally. He'll be missed by his family, friends, and his fraternity brothers. May he rest in peace. Richard Matthews, aka Matty.I.U. class of of 64.

Richard was a dear friend since 1972 when he, Barbara and I worked at Indpls. city hall. He eventually became my attorney and got me through my divorce in stellar fashion. He meant a lot to me, had a great sense of humor, and helped me with various legal issues for many years. I often think of him and appreciate all he did for me.

Rich was an all around wonderful, cheerful and friendly guy, a mensch, from fraternity days and throughout his life. We had so many talks not just on law, as we were both practicing attorneys in Indiana, but on life, and both of our families, as these evolved and changed over the years. Rich had an insightful perspective, and was there as a friend when my life circumstances needed a friendly ear. May God Bless you Always with Peace my dear friend. Ira
