Dear Sabrina and Marshall. I was a manager and co-worker with your mom for several years in the 80's and 90's. I was also a former Staten Islander. I am very saddened to learn of her passing. She would always share stories of the two of you as you were both growing up. You were her greatest joy and I know how proud she was of your accomplishments throughout the years. I am sure that your children more than quadrupled her joy. She was selfless and giving, always putting others above her own needs. May her memories be for a blessing; may they bring you smiles, and may her everlasting love bring you comfort in the years ahead. Gil Breitberg, May 22, 2023
