Your mom Loved you all so much and she trusted me to be a "mom" to you when you were in my class-I was blessed. She was proud of everything you did and would laugh at all the funny moments you had growing up as well. Look how she did- you are all safe secure mature and gifted and living your best lives...that is the sign of superior parenting. She will always look over you all and also her baby grandson Hudson. Thank you Mindy for being a wonderful human and for always being a friend. Keep sparkling in heaven xoxox Melody
