If this is the Lew Krone from NY and Radio Station, WJRZ, then I would like the family to know what a great guy we worked with and how much I liked him and that I remember him being so nice and wanting to move his dear family to Israel! I still have a pin he gave me for Christmas in 1965!! The picture surely does look like him! Whether he is the Lew I remember or not, I send condolences to the Krone family!

Dear family, I had the honor to know Lew and play golf and poker with him. We shared life stories and were able to laugh at ourselves and the absurdities of life. I will miss his kindness and wonderful sense of humor. Jim Higgins
