**Michael Dorfsman** posted:

As one of the many Northeastern University students and Northeastern News editors who learned from Harvey and remain more than 50 years later deeply appreciative of his support and guidance, I am very sorry to hear of Harvey's passing. A few years ago, my wife, son and I had the pleasure of having lunch with Harvey in the Vineyard, and it was a pleasure to reminisce and share stories of how he fended off the Administration's pressures to curb our exuberant reporting. He was our advocate, our advisor and our teacher. Whatever the role, he had our admiration, gratitude and appreciation.
