Alan and I send our deepest condolences to Blanche's family. Thank you, Neil, for informing us of her passing. We had some wonderful visits with Phil and Blanche when they lived in Nashua, NH and later in Las Vegas, NV. When our daughters were young we had the pleasure of their company at our home for a family dinner and lively conversation. Blanche once sent me a family photo from long ago that I will cherish. She was very interested in learning about our family history. She espoused that we should all do our best. Although I am sad to learn of Blanche's passing, I am happy to have known her.
