I did not know Bernice personally, but I know her son's family. Gregg is a mensch. That speaks a lot about his upbringing, especially about his mom, Bernice. My heartfelt condolences go out to Gregg and his family. With warmth, Natalya

Dear Gregg and Lori. A word of comfort from the Tziduk Hadin. "Blessed be He, for His judgment is true, as He scans everything with His eye, and He rewards man according to his account and his judgment. Let all give praise to His Name. We know, Lord, that Your judgment is right. You are righteous when You speak and pure when You judge, and none shall question Your judgments ... The soul of every living creature is in Your hand, righteousness fills Your right and left hand." As you recall treasured moments with your mother, let her good works and good deeds serve as a way to carry on her legacy. May her memory be a blessing that remains fresh in your hearts and minds. - Dr. Bouvier and Mrs. Jacqueline Williams
