Gloria Winograd lit a candle in honor of Susan.

Deepest condolences to everyone in Susan's circle of family and friends. Susan was a kind and generous first cousin to me. I hold dear, and will miss, the conversations we had over the years. I have wonderful memories in my mind's eye of Susan throughout our lives; brief vignettes. Always smiling and cheerful despite every turn in her path. A strong and good woman, my cousin Susan. I'm grateful for having known and loved her. I regret not sending these thoughts sooner; only just finding out this morning after calling for several months now, with no answer. Finally the last calls were answered with a "not in service" message. Thanks to my cousin Barry Winograd for sharing the link with me.
