I just read about Ken's passing in a publishing industry publication. I am so very sorry for your loss. He and I hadn't been in touch in many years but he was my boss at HarperCollins many years ago. I remember how sweet he was as he wore a beeper around when waiting for his kids to be born (I guess we didn't yet cell phones yet). May his memory be a blessing to you. With my sincerest condolences, Sue Driskill

Ken was a good man, and a great friend. He was a tremendous asset to North Shore Players, whenever he could he would help doing anything that needed doing. As President of North Shore Players, he made a huge impact and helped the group in so many ways. He will be sorely missed as a friend, and theatre colleague. Linda, Rachel and Max, we are hugging you in our hearts. Lucy Keller & Martin Fucio

Dear Linda, Rachel and Max., I am devastated for your loss. If it wasn't for Ken I would not have a life in the US. Nor a job. He single-handedly changed my life, and I will forever be grateful for all he did. He was a great boss, and a wonderful human being. My thoughts are with you Monica
