I had the pleasure of working with Mr Fertel at IS174. He was my supervisor and did so much to help me and make me a better educator. Always upbeat and smiling. Thank you Al. RIP.

I'm so sorry to hear of the passing of a friend from Hunter College - Bronx. Although I am the youngest member of our club Finn McCool, I got to know Al and his late dear wife Loretta through years here in Florida. We, fraternity brothers, have been meeting for several years as often as possible. Al was a kind, smart friend with a great sense of humor. Al will be missed. May his memory be as a blessing 🌟 Gary Schreiberman

Al was a loving friend who was kind , considerate, thoughtful, and fun to be with. His dedication and connection to our college group (The Finn McCool Society) was so strong , he zoomed in from his hospital bed on the Monday before his death. Our personal relationship was very warm and would have been even closer had I known that his two grandsons are named Samuel and Matthew. He would have drawn much enjoyment knowing that two of my grandsons are named Samuel and Matthew. I loved Alvin and will miss him.
