Dear Susan and Family,My heart goes out to family, and all who cherished Jeffrey.He was a gift that we all shared for many years. To have shared his life at some time is a blessing that few have. Jeffrey was that one in a million that we know, immediately love, and love forever. I am fortunate to have shared my time with Jeffrey since elementary school at PS 208.Personally, I would not see Jeffrey for long stretches at a time. Not a note or phone call. But then we would speak in some way, and it was as if a second had passed since the last time were together, and we were loving being together again.I know Jeffrey would want you to move ahead, live and enjoy life to the fullest.All my love to Susan, Robbie, Scott, David, Aimee, Carrie, and the rest of the Family,Dan Davis
