Just figuring out that Marvin passed based on realizing I have seen any Facebook post for a long time. I only knew Marvin for a couple of years when we worked together as Course Rangers at Addison Reserve. He was truly a wonderful person with a tremendous personality! Even after I moved from Boca we remained friends and stayed in contact since I moved back to my old hometown, Huntsville AL in 2014. I'm really thankful to have been blessed just knowing him....

Marvin & Sylvia Cohen have been our wonderful friends & neighbors for over 20 years. We have shared lots of laughs and wonderful memories. Marvin had more tools in his garage than anyone we know. If we needed any tool, Marvin was the first person we'd ask. He always had the right one. It was always fun to watch him riding his scooter down the block. No one was going to stop him from getting around. We love him and will really miss him. Elaine & Norm Hecht

Sonny Rodney sent a virtual gift in honor of Marvin.

Sonny recalls from over 50 years ago their weekend in Las Vegas and Marvin's roulette scheme to make money.. That didn't work out too well but it sealed their friendship for a lifetime. May he Rest in Peace.
